

Total Organic

Always with you

WHO WE ARE

Total organic

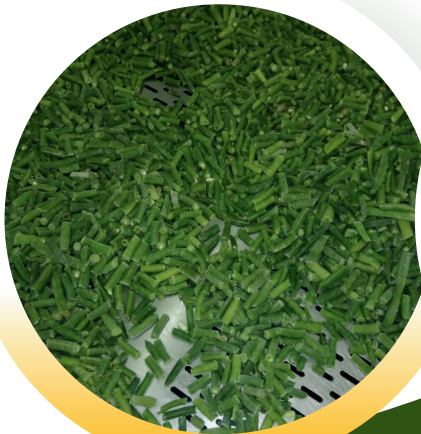

We are Total Organic, exporting fresh, dried, and frozen fruits and vegetables grown on our farms and our partner farms, which are certified by us. Total Organic aims to become a leader in the export of Egyptian fruits and vegetables.

We offer a diverse selection of high-quality produce guaranteed to satisfy. Our production includes citrus fruits, grapes, strawberries, pomegranates, nectarines, peaches, mangoes, lettuce, red and white cabbage, broccoli, capsicum, golden and red onions, green and white beans, watermelon, carrots, garlic, melons, hot chillies, artichokes, and many other fruits and vegetables of the finest quality

Vision & Mission

Total organic

Vision

Our vision is to be the leading global exporter of fruits and vegetables, recognized for our commitment to quality, sustainability, and innovation. We aim to inspire a shift towards healthier eating habits while contributing to a sustainable future for agriculture. Through our dedication to ethical practices and excellent customer service, we envision a world where healthy produce is accessible to everyone.

Mission

We are a company dedicated to the complete satisfaction of our clients and partners while contributing to the development of our collaborators)clients(and suppliers. Through the production and export of organic and conventional agricultural products, we offer quality service under the highest international standards. We prioritize sustainable farming practices and transparent partnerships with certified farms to ensure that our products not only meet but exceed customer expectations. We strive to promote a healthier lifestyle through our health-conscious produce while supporting the well-being of our farmers and the environment.
